Tonga Time:

The schedule above is a guide and things change often when you are on an Island in Tonga. The locals are on what we call 'Tonga Time', so don't be disappointed if the skipper is late, or your meals are not served on time, or you don't get exactly what you ask for, just relax and enjoy this tropical paradise.

Activities:

We try to visit some of the most amazing snorkeling spots in Vava'u as we search for the whales, including untouched coral reefs, caves and lagoons. But if you haven't had enough after 8 days on the water there are always lots of other adventures:

- Scuba Diving
- Sailing
- Kayaking
- Deep sea Fishing
- Land tours
- Hiring a scooter

Preparation Checklist:

- Check your flights and connections to Tonga and make sure you have confirmed your domestic flights to Vava'u.
- Check to make sure that you have booked your accommodation well in advance and that you have booked either side of your tour if you are arriving early or staying longer.

At Swimming with Gentle Giant's we think it is a privilege to snorkel with these amazing creatures and understand they are wild animals that deserve our respect. We are visitors in their environment and our encounters are often determined by the whales.
